SLIM IS IN

Dear PURELY 18,

How do you guys always know? What I mean is that you always seem to know exactly what turns your readers on. For instance, take last issue. When I laid my peepers on Vanessa, I almost instantly creamed my jeans. I have this thing for very young, athletic-looking girls. Vanessa was perfect; slim, small, pert tits, with kind of an androgynous-looking body. Hey, I'm not gay, but I like 18-year-olds who look like 18-year-olds. They have a lot of time for their bodies to mature and grow into womanhood.

I'm sure I'm not the only reader who feels this way. I can just imagine what Vanessa's tight, barely used pussy must feel like. I've cum numerous times just fantasizing about pounding my pud into her. Is there any way in future editions that you can include the models' vital statistics—such as height, weight, cup size, etc.? It would indulge my fantasies even more. Thanks.

Kevin H.
Metaire, LA

(Kevin, to each his own, we say. As for your suggestion, we will certainly take it under consideration. We don't know if all our readers share your desires, but knowing the model's vitals couldn't hurt, Thanks for the idea.)

THE NAME'S THE SAME

Dear PURELY 18,

What's that they say—life imitates art? Well, in my case, art imitates life. You see, my girlfriend's name is Janice and my name is Mark. So when I opened your last issue and saw a pictorial featuring "Janice and Mark," it really blew my mind. And the brunette cutie looked a lot like my Janice. And not to boast, but my cock could have doubled for your Mark's thick wood.

I showed the magazine to Janice and though she's not usually into viewing "dirty" stuff, she got so turned-on by the pictures that she decided we just had to "re-create" your shoot. She then proceeded to give me the best blow job of my life—followed by a mind-blowing fuck. Guys, thanks a lot. You helped me have one tremendous orgasm!

Mark P.
Terre Haute, IN

(Well, Mark, it does seem like life and art, at least in your case, are closely related. We're quite pleased that we could help you get off in such a bombastic way. We're wondering if any other readers have experienced the same phenomenon? Let us know if you're part of the name game. Seems like a great way to be able to get fucked!)

SMART & SEXY

Dear PURELY 18,

There are several "young girl" magazines on the newsstands. None depict the true essence of just-legal teens as does your fine publication. You seem to have your finger on the pulse of your readers. And the peak of perfection was achieved last issue when you brought us Chloe. Being somewhat of a geek myself, I have a thing for nerdy-looking girls. At first glance, Chloe appears such. But when she removes her glasses, we see she is the total knockout!

Chloe is the epitome of a sexy coed, from head to toe. She's young, vibrant, smart, and very cute. The fact that you start her out seeming so innocent and studious, then have her posing in the dirtiest of ways, was artful. Chloe's spread pussy made me believe she was available for any guy with the balls to ask her out. Because of her, and your fine magazine, I will no longer be afraid to speak to sexy young girls. You have a reader for life.

Evan T.
Madison, WI

(Evan, we're very glad that we find favor with you. We can use all the fans we can get. And we agree with you that there's a lot more to Chloe than first meets the eye. Just goes to show, you can't judge a book by its cover—at least not until it gets naked!)

THE WAY THEY WERE

Dear PURELY 18,

My husband and I are a middle-aged couple who, believe it or not, look at your magazine together.. Strange? Probably, but we try to keep our sex life active and are always looking for new wrinkles to provide impetus. We were both awash in a sea of nostalgia—and horniness—when we viewed Denise and Jeff in your most recent offering. Believe it or not, they are a carbon copy of what we looked like when we were that age. Yes, I was the cutest little blonde thing, and Sal (my hubby) had the same clean-cut, athletic look as does Jeff.

We were wondering if there were any chance that you might want us to pose together in a pictorial with Denise and Jeff—like a "Before and After" spread? We don't know about them, but we're sure it would take our sex live to a new level of excitement!

Peggy O.
Carbondale, IL

(Peggy, we must say that we don't shock easily, but your letter was a real eye-opener. Like they say, different strokes for different folks. We're happy that we can provide some thrills for "older" couples. As to your request, sorry, but at the moment, we think it better to simply showcase the hottest young girls in all their glory. But if we ever decide to do a "Before and After" shoot, you'll be number one on our list to participate.)

BELLE OF ANY BALL

Dear PURELY 18,

I consider myself a hip dude. Also, a horny, kinky sonofabitch. I follow all the trends, and keep up on social media. So I was blown away when I picked up your last issue—to find an incredible layout on Belle Knox, only everyone's XXX-rated Media Darling and Cause Celebre of the moment.

This Duke-University-Student-Turned-Porn-Star is all over the place. Love her or hate her, everyone seems to have an opinion about her. My take? Who gives a fuck? She's unbelievably beautiful with a body to stop a freight train in its tracks (no pun intended). The fact that she's achieving fame and fortune while working her way through college only makes her more arousing. Any chance you might hire her as a columnist or spokesperson? Such a move would certainly give your fine magazine even more exposure. Just saying!

Jay I.
Sparks, NV

(We agree that being able to grab Belle for a spread in our magazine was quite the coup. And great minds do think alike, Jay, because we are currently negotiating with Belle to return to our pages. We can't yet divulge in what capacity, but keep your fingers crossed. Keep on buying our mag to see if we're successful.)

CAPRICIOUS GIRLFRIEND

Dear PURELY 18,

Thanks a lot, guys—for screwing up my life! My girl, Tisha, and I always look at your magazine together. She kind of likes girls, though she won't agree to have a threesome. Anyway, we were checking out your last edition and came upon Caprice. Tisha really liked her. And she especially dug the fact that Caprice liked to use toys (which had never been a part of our sex life before).

Anyway, she went out and bought a vibrator, just like the one Caprice used in her photos. Long story short, Tisha is now addicted to that vibrator. So much so that she prefers it over the real thing. I'm getting blue balls. Since you're to blame, can you at least give me some advice as to how to make my girl want my cock again?

Parker S.
Lubbock, TX

(Sounds like you have a problem there, Parker. All we can suggest is to hope that the batteries run out sooner than later! And if you're horny, just continue to buy our mag. If you can't have the real thing, at least enjoy our beautiful girls.)

CANDY

Even Sweeter Than Her Name!

What's in a name? Apparently, a lot! My parents didn't know what they started when they thought they were being cute and named me Candy. Guess what? Somehow, just naturally, I've lived my whole 19 years with the theme of doing everything that's fun. I love wearing "candy-like" clothes, you know, polka dots and the like. I collect modern art, paintings that look like they have colorful pieces of candy all over. Most important, as soon as I was old enough—last year—I seemed to develop quite the appetite for turning men into my personal lollipops!

I can't explain it, but as soon as I started having sex, all I wanted to do was suck cock. Believe me, no guy I've been with has complained. They tell me I'm very good—and getting better! I take a cock and lick it up and down just like I would a cherry-flavored lolly (my favorite). I suck it as if it's the sweetest thing ever. Then I put it all the way down my throat and keep on slurping. You know what? Just like those Tootsie Pops, I find something even better in the middle—white, gooey stuff that sprays all over my tonsils. It's so yummy! Mom and dad, you didn't know what you were unleashing on the cocks of the world when you named me Candy. Thanks!

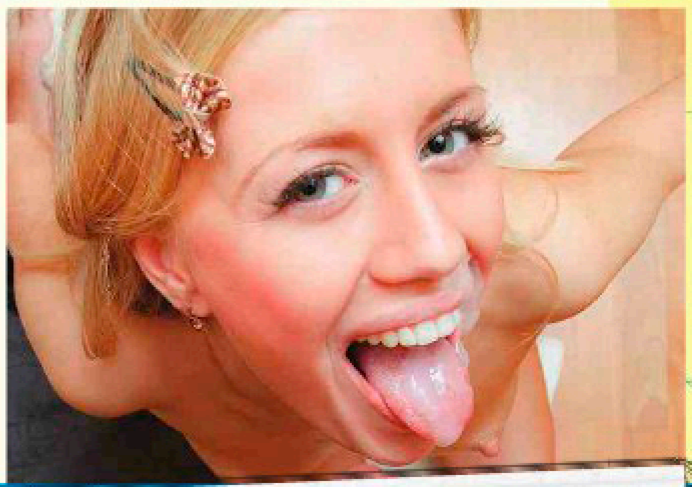
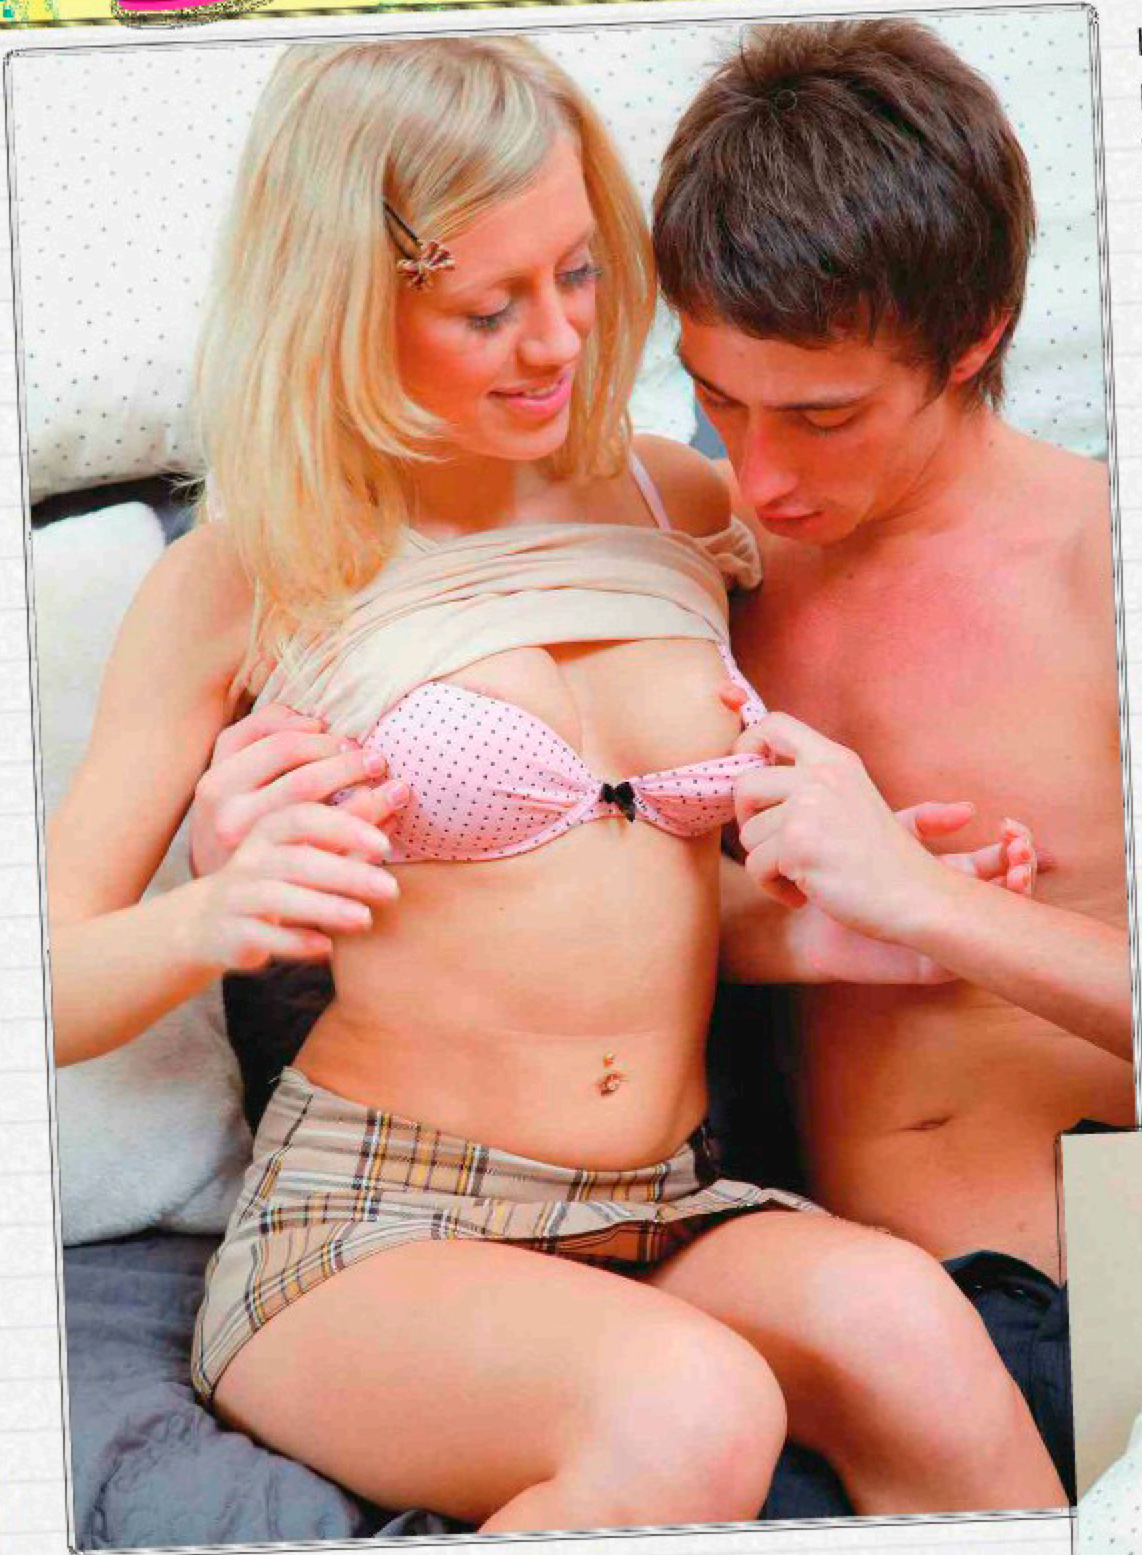
A Young Girl's Diary

It was a open and shut college text-book case of coed lust, seduction, deceit and flat out friends-fucking-friends!



30351



Dear Diary,

I hope Amber never reads this! See, Amber is my roommate and the other night she was back from her "boyfriend's" room on the male side of our dorm, and she was crying again. What the hell! "Why won't Jacob fuck me, Isabella? Is there something wrong with me?" Amber curled up on her pink bedspread, barefoot and tear-streaked.

No, I thought, there's something wrong with Jacob Strunkell if he didn't want to put his cock in somebody as cute as Amber, and I was going to find out what game he was playing.

Still, as I hurried across the enclosed walkway that attached the two sections of the dormitory, I had to remind myself that Amber was being a wuss about the whole thing. If Jacob would only allow her to suck his cock, then why didn't she just dump him? But she was no more rational than any female when a hot guy gets to us. And I could see why she didn't want to let go of Jacob so easily. He had hotness. More than his share.

When I got to his room, the door was open and he was lounging in a chair, wearing shorts and a tee, his bare feet propped up on his desk as he listened to music and studied a geology textbook. The college made everybody take geology as a requirement sometime during our four years. I took it first semester to get it out of the way. Obviously Jacob, a junior, had put it off. Well, I thought sarcastically, it's so very relevant to the world we're going to be living in when we graduate!

"All right, Strunkell," I said, "what's with you and Amber?"

He smiled. No girl was immune to that smile, and I knew I took a chance coming here. "Close the door, Belly, and I'll tell you."

"The name is Isabella, not Belly."

"Touchy, aren't we?"

I closed the door. Yes, I closed the door.

"You're driving Amber more than slightly insane, Strunkell. You only let her blow you? And you don't let her stay over? There's room enough for two to sleep and study here. Jeez, the girl is off the chain for you, Strunkell! After all, your roommate is always over in Ganzel Hall with his girlfriend. You got privacy."

Jacob put his book down and stood up. He seemed to really take up a lot of the space in the room—not with his body, but with his charisma. "Yeah, so I got privacy. Maybe I don't want to share it with her in particular."

"Stringing her along, Strunkell? You bastard—"

"Maybe it's you I want, Belly."

"I want you to call me Isabella."

"I bet you do."

He reached over and wrapped his arm around my waist. His face came near but all he did was smile. Where does a guy learn the confidence to do stuff like this? It must run in his genes. I saw his move coming but I didn't do anything to fight it. I guess I liked the scenario, damn me to the special hell for disloyal roommates! I'd been kidding myself. Jacob and Amber were a totally bad fit. I'd stroked my button more than once thinking about Jacob and ME. I was ashamed to admit to myself that he could call me Belly all right, and even cum on mine. I wonder if watching porno had ruined me. I took a break from studying every now and then and caught up on a few tube clips.

"I-sa-bella," he whispered, kissing the side of my face. "Is that better?"

"What's your game, Strunkell?"

"I've just been setting bait for you. Don't you know? Feisty Isabella, standing up for her roommate. I knew you'd show up one night, crusading." He laughed. "Crusading for my cock, that is!"

"You bastard."

"Then fight me."

I wasn't about to do that. I reached up and kissed him hard on the mouth. I could feel his prick upright inside the front of his shorts. Oh I hated myself, but I couldn't think more than five seconds into the future. When you're eighteen, I guess you sometimes make decisions that way—like your future is only five minutes long.

"What am I going to tell Amber?"

"Keep it simple and we'll figure something out," Jacob said, lifting me up to carry me only three feet over to the bed. He put me down, then joined me. We kissed for a long time and our hands went all over our bodies through our clothes. Then suddenly our clothes were gone. I mean, we took them off, but I hardly remembered doing it.

I got on my knees and sucked his cock. I could see why Amber was frustrated. This thing was beautiful, hard and veiny and hot as it filled my hands. I rolled it between my palms, cupped my fingers under the balls, and took the shaft in my mouth. I put my head at an angle and showed Jacob how well I could do it. I took a lot into my face. I knew how hot I looked that way, with meat in there. I'd used mirrors and my Flip cam to study my technique. It's all about presentation—I'm going to be a marketing major. Oh, but what a disloyal bitch I was, betraying my teary roommate with every slurp. Well, she had been a wimp! She should have taken a hint that he was up to something with the blowjob-only diet.

"Oh Belly, you're gonna make me cum—"

He called me Belly again and I didn't protest. My mouth was still full.

"No, Belly, I wanna fuck you. Right now."

So I crusaded my way right under his cock. Jacob laid me out on the bed and our fingers linked as he sunk his bone into my hole. Oh jeez it felt good, and I clamped my bare feet around his waist. "Fuck me good! Oh you lousy bastard, make this worth my while!"

He laughed but didn't miss a stroke. These junior boys knew a few things, all right. The freshmen in my class had nothing on Jacob. Two years can make a difference.

I closed my eyes and felt my nipples brushing against his chest as he banged me fast. I broke my hands away from his and grabbed his ass. I like the feeling of a guy's butt under my fingers. I squeezed him hard. He kissed me deep and the bed shook with every thrust of his cock. Then he buried his face against my neck and I took the lobe of his ear between my teeth and pulled on it. Soft and vulnerable. Then I let go of it, closed my eyes, and just let myself become one with the dick banging my hole.

He lifted himself up, braced his body on his hands, and looked right at me with that killer smile and said, "It was all foreplay for you, Belly. Every time she sucked me, I was sending out the word to you. I knew she'd blab, she's the type. And I knew, I knew you'd come around eventually. Thanks for proving me right. Thanks for sucking my cock. And thanks for taking my cum!" And then he pulled out his dick and shot his stuff all over my belly.

It was like a lake, so nasty. I grabbed his thigh and pressed his leg against my clit and then suddenly I was cumming too, right against his knee while his cream gleamed on my tummy.

"I'm a bad person," I said. "I should not have done this to Amber."

"Don't worry about it. "But I do. What will I tell her?"

"Say it was like something out of geology. The earth moved for us, we couldn't help it!"

Ah, so the damn course was relevant after all! .

LESBIAN HITCHHIKER 6

Sweetheart Video

33331

Starring: **Avril Hall, Dillion Harper, Jessie Andrews, Tanya Tate, Julia Ann, Kendra Lust & Arria Salazar**

Four adventurous teen girls hit the road on a wild ride of fun, self-discovery, and sexual liberation in the sixth installment of Lesbian Hitchhiker. When their van breaks down the girls go their separate ways to look for help, encountering an array of gorgeous older lesbians who aid them in more ways than one.

One of the best LH6 hookups has Kendra Lust picking up a desperate Arria Salazar and taking her back to her house to seduce the sexy, young, dark-skinned 18-year old. The super-hot MILF (Lust) wastes no time acknowledging that she prefers pussy to cock and begins passionately kissing her guest on the lips. Soon the two are topless and feasting on hard nipples and sizeable tits. Lust removes Salazar's jeans & panties and is soon chowing down on young hair pie. Kendra expertly works over Arria's swollen pussy lips and clit before going puss-to-puss with the innocent hitchhiker.

Extremely turned-on Salazar then goes down on her MILF benefactor, but Kendra wants more fresh poontang, so she insists that her young charge assume the doggie position so she can better sample the young girl's sweet snatch and pungent balloon knot. The two end their lustful liaison by fingering each other to climaxes that culminate in powerful dual orgasms.

Sweet Sinner

33328

Starring: **Jessa Rhodes, Veronica Avluv, Staci Silverstone, Francesca Le, Chastity Lynn, Dana DeArmond, Cali Sweets, Eva Karera, John Strong, Mark Wood, Manuel Ferrara & Tommy Gunn**

Veronica feels like she's underappreciated. Her and her husband, John, simply don't have sex as often as they use to. So Veronica puts out an ad for a sexy play toy to help both of them heat up their sex life. Meanwhile, Francesca and Mark devise a devious plan to get their hot, 19-year-old neighbor, Staci, to join them in a three-way. Good thing for Francesca that Staci's really into older women. Dana and Manuel rent out a room to young Chastity. Then she starts taking advantage. Manuel gets super-pissed because it's costing him more money each month for her to be there, so he and Dana decide to teach her a lesson about the importance of living expenses. Cali gets kicked out of her boyfriend's car and is left stranded on the side of the road. Tommy and Eva just happen to be passing by. They pick her up and give her a ride that she soon won't forget. All four of these CST 12 scenarios will surely get you off, but my favorite is the one involving Veronica Avluv, Jessa Rhodes, and John Strong. The action really heats up with Veronica & Jessa getting into some eye-popping lesbo action, but it's not long before the man of the house is having his cocked sucked by both these broads. Avluv and Strong feast happily on the sexy young girl's flesh, with both of them licking Rhodes' pussy at the same time. Then Strong fucks Jessa's pussy while Veronica runs her tongue over Rhodes' clit.

The trio rips through a series of positions including cowgirl, reverse cowgirl, spoon, plus many more with Avluv occasionally taking time to toss Strong's salad. Avluv is the true pro here and her insatiable appetite for cock—as well as cunt—is well documented and certainly steals the scene. Both girls, however, get their just desserts when Strong lines them up for a massive facial cum shot that ends with Rhodes and Avluv both playing cum-tonsil tennis with the steamy load.

HER FIRST MILF 14

Doghouse

Starring: **Szilvia Lauren, Tina Blade, Angel Snow, Gina Gershon, Candy Sweet, Clara G, Whitney Conroy, Anita Vixen, Jennifer & Carmen Croft**

Young girls need to be taught a lesson in sexual maturity when they come under the seductiveness of these smoking hot MILFS in Doghouse's notorious series Her First MILF 14. Sweet and innocent meets mature and experienced in these five (that's right five!) extravagant lesbian encounters. There's lots of muff diving, sex toys, and steamy, hot, tongue-to-tongue action.

None of the horny story lines better illustrates this than the sex featuring Szilvia Lauren and Tina Blade. Lauren is as beautiful as ever and Blade's tight, luminous flesh makes this pairing a true bone-stiffener. Tina arrives with a bowl of sugar, but these two sure aren't going to be baking cookies. Tina pulls up her top and immediately the sexy MILF is on her, licking her nipples and sucking hard on her breasts. Tina removes Szilvia's panties and starts lapping at the older woman's pussy mound. Soon our seductive MILF has one leg up allowing her young charge better access to her gaping gash. Tina works over Ms. Lauren's clit like she's glued to it and soon the young Tina has her next-door-neighbor cumming in waves. Next it's the more experienced MILFS turn to return the favor. She bends the young Tina over a chair and begins to slide two fingers in and out of the young girl's snatch, while at the same time running her flicking tongue over her sweet asshole. MILF Szilvia quickens the pace, rubbing the base of her thumb over the young Tina's clit. Blade is then instantly flooded with a body-wracking orgasm that leaves both women thoroughly sated.

LESBIAN ANALINGUS 2

Sweetheart Video

33330

Starring: **Jada Stevens, Kristina Rose, Karlie Montana, Dani Daniels, Dana DeArmond, Sinn Sage, Alyssa Reece & Ryan Keely**

The second installment of Lesbian Analingus continues with four fun vignettes dedicated to passionate sex and mind-blowing ass worship. Jada Stevens accuses Kritina Rose of stealing her boyfriend, only to end up with a stolen moment with Kristina's ample derriere. Dani Daniels has been paying someone to write her term papers, and must answer to her bossy sorority sister, Karlie Montana. Anal-retentive attorney Ryan Keely seeks the help of spiritual healer Alyssa Reece, and newbie lesbian Dana DeArmond needs buddy Sinn Sage's help after Dana's girlfriend freaks her out after asking for some amorous analingus. Each scene boils over with intensity and passion, but it's Stevens' and Rose's ass-ignation that brown eye enthusiasts will really cum to appreciate. Bootylicious Jada and cute Kristina go from fighting over Jada's boyfriend to a full-on make-out session on Rose's couch. The foreplay goes on forever, but when these two finally get down to business both of their sphincters ignite. The duo goes from fingerbanging to muffdiving in seconds flat with Kristina taking the lead. Jada Stevens is known for her amazing booty and Rose immediately heads right for it, her pink tongue all over Jada's pussy before tongue-dunking her cornhole. When Kristina surprisingly throws in a little thumb action Stevens immediately cums like a faucet. Jada then becomes the aggressor, diving face-first into Kristina's sopping, wet hole. The DVD isn't called Lesbian Analingus for nothing and Ms. Stevens drives home that point going for Rose's brown eye like a nympho possessed. She works her partner's wrong hole relentlessly with her talented tongue causing her friend to cum not once, but twice, seemingly in succession.

Madison & Tommy

In Love With Dick!

I had made up my mind to stay a virgin till I graduated college. But then I met Tommy and everything changed. He was my soulmate. We both felt the same way about one another. But after falling in love and being together 24/7, he wanted more! Sure, we made out and I let him, pretty much, get to third base. But he wanted to hit a home run, if you know what I mean. Finally, facing losing him, I decided to give in. Yup, he popped my cherry!

The first time was so-so. But ever since, it's been awesome! We do it every which way and everywhere! Usually, after we finish our respective classes, we'll meet back in my dorm room. Then the real "studying" begins. He really likes the way I blow him. And I love his big, hard dick ramming me from behind. I never knew love could feel so good.

Sure, I could have stayed a virgin. But I'm glad that Tommy convinced me to "open up." I don't know if we'll be together forever, but as my first, he'll always be my true love!

CHRISSY

She Wants a Sole Mate!

Life is so much fun when you're 18 and beautiful. What can I say? Sure, I'm spoiled, but all my hot friends live the same way. I can have anything—make that anyone—I want. So I've decided to diversify and hook up with as many different kinds of guys as possible.

What do I mean by that? Guys who are into different things! I want to experiment as much sexually as possible. After all, it's important to have a diverse "education," or so my teachers tell me. I hooked up with a real cool guy last week. His thing? A new one to me, but we had fun. He was into feet!

After lots of cool foreplay—I love having my cunny licked—he asked me to take a bath, to get my tootsies nice and clean. Once I did, he went nuts, sucking the life out of each toe, lapping every inch of my feet. The sensation was incredible. I fingered myself as he played with my feet. Afterward, he fucked me so hard that I felt like I was about to blast off into space! That's why I love to try new things. Each orgasm is an experience in and of itself!

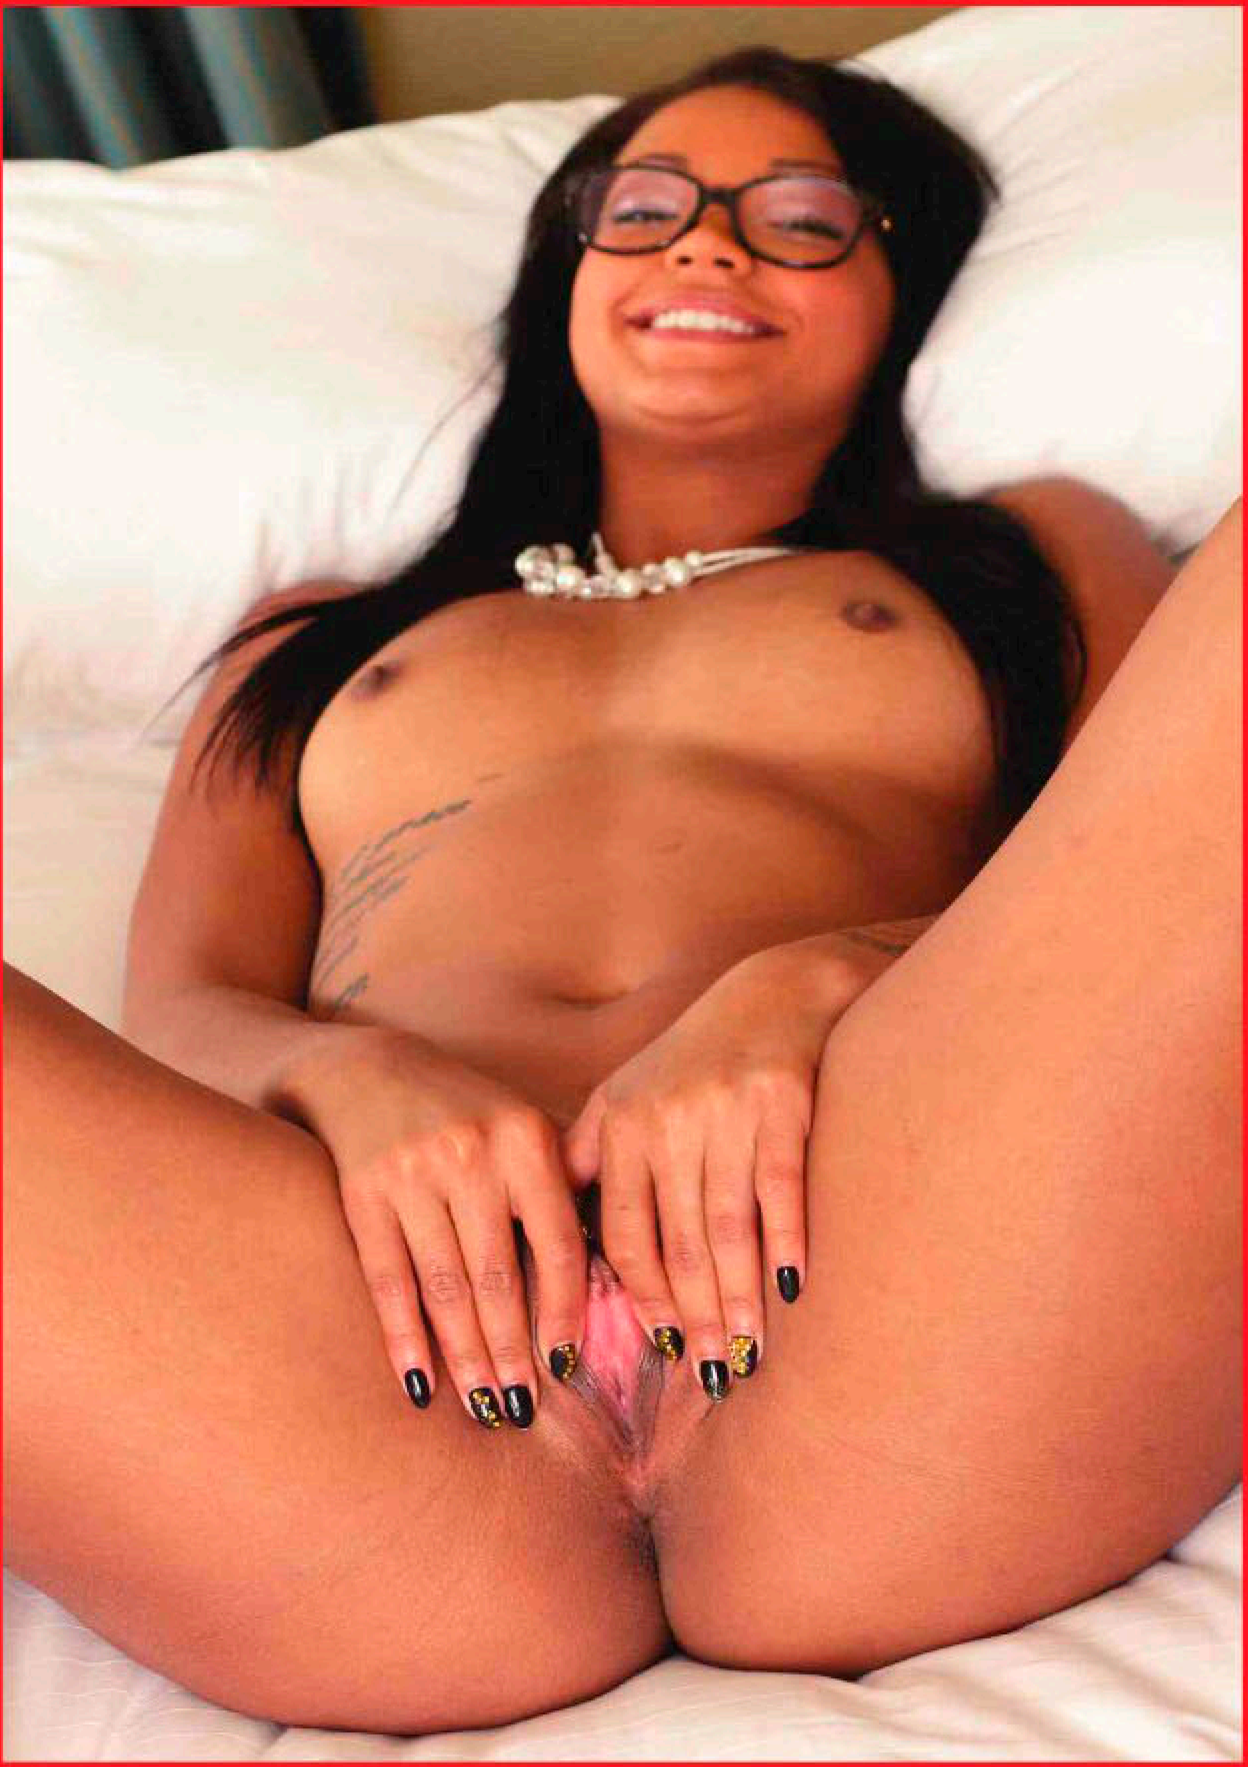
HARLEY

SHE SEES WHAT WANTS!

So I used to wear contacts all the time but then I got lazy. As it turns out, dudes dig my specs. Seriously, I get hit on constantly when I wear them. Which is great because I like to fuck. Not that I'll drop trou for just anyone—but if I think a dude is hot and he smells okay then I'm usually game to go all the way. They all ask me to leave my glasses on while we hump and that's cool because then I can see what's going on and it makes my orgasms that much better. I like to really stare at a dude's cock as it slides in and out of my cunny and think to myself "he's inside of me, he's fucking ME" and meanwhile it feels so good and the next thing I know I'm cumming. That may sound a little weird but it's what gets me off.



HOLLY & SATIN

These Two Are Smooth As Silk!

Summer is a wonderful time to relax, breathe in some fresh air and eat some cunt! Yes, the sweet summer sun always makes things better and inhibitions are quickly lost when a hand goes up a skirt, nestling into a sopping pair of panties. Pussy lips are fondled and a wet hole is finger fucked and from out of nowhere comes a strap-on. The girls take turns making each other cum and someone's asshole is invaded. It's all a blur, but it's something they're gonna repeat all summer long!

A Dildo for My 18th!

I turned 18 a week ago. I got lots of cool, expensive gifts. But my favorite was far from expensive. My BFF, Tina, got me a dildo—my first. She's older, 20, and told me it was time for my sexual education to begin. She said I needed to practice "tuning up" my cooch, so it would be able to respond to all the hot guys' dicks that will soon be inside.

I couldn't believe how big the dildo was, about eight inches. I started practicing with it every night, taking a little more inside each time. Last night, I really wowed myself. I took the whole thing inside. I pumped it in and out, making believe it was Kurt—my secret crush—fucking me with his beautiful dick (at least, I imagine it as such). The deeper I fucked myself, the better it felt. I soon couldn't control myself. I pushed the toy in and out, faster and faster. Then I had my first "real" orgasm. It was the coolest feeling ever! I owe Tina lots of love. I hope I get to show Kurt just how experienced I am!

MARY

A Pretty Face and Big Boobs!

I've always been "mature" for my age. Okay, let's cut the bullshit. By that I mean I've always had big tits—bigger than any other girls I know. At first, I felt kind of freakish, always being embarrassed by all those stares. Like guys have nothing better to do than gawk at boobs! Anyway, as I hit senior year, it dawned on me just how lucky I am. Not only am I a killer-looking blonde, but every girl envies me and every guy wants to be friends with me. How smokin' is that?

Now I know how to flaunt what I've got. I wear tight tops and, when I can get away with it—when my 'rents aren't around—I go braless. If I need a favor, like someone to write a paper for me, I'll pick the smartest guy in class and stick my titties in his face. If, for some reason, that's not enough, I might even let him suck on them. That always does the trick. Often, though, I just let guys play with my boobs for fun. They like it, I like it—my titties like it. It's all good. Yup, I've got a fine head on my shoulders—but better boobs!

My Mystery Boyfriend Makes Me Cum!

I came up with the ultimate game recently. It's rad. It even beats being on Instagram. I'm a very sexual girl. Sure, I'm young, but I just seem to have a natural horniness about me. I always want my pussy filled, always want to get off. My panties are soaked by the end of the day, no matter what I'm doing or where I am. Hey, I'm just a natural nympho, I guess.

The game I conceived involves sex, natch! I gather two of three of my male friends (yes, I have loads of FWBs), Then we have a contest to see who can get me off the best. The guys take turns. One might lap my cunt, another might finger my clit. What I really love is when someone uses a vibrator on me and also rubs my nipples. I really get hot when a toy plugs my hole. I usually can't stop cumming—not that I want to.

Once the game is over (usually we "play" all night long), I pick a winner—the guy who gave me the most orgasms. You know what he wins? Silly, he gets to fuck me every which way. Let's just say it's a win-win all around!
